When I'm asked why I do adult photos and videos, I tell them because I can. I just so happen to love sex. After I did a shoot or two, I got quite comfortable with the camera. All the guys early on in my career were very patient and nice, so it was easy to relax and fuck them.

SABRINA & JANA

Sexy Sabrina and juicy Jana have ditched their boyfriends for a little “me” time. This is another way of saying they want to finger-fuck each other and suck each other’s clits until they climax all over each other’s face. One orgasm is never enough; it’s just the warm up for the main sexual entrees – rim jobs, dildo play, and scissor fucking. This is going to be a really great day because “Me” time is so important.

AT THE STATE FAIR

Affair

Last September I went with my family to the state fair in Texas. We're from small town outside Waco and we do this every year. Unfortunately, my father was out of the country for his job, so I went with my two brothers. We have all grown up with it. They showed cattle as part of their 4H experience, and I would enter the cake baking contests with mom, but now, in our twenties, we're coming back as visitors. After we got onto the grounds, we separated. They went their way to the games and I went off to the exhibits with the understanding that we would meet for lunch by the hot dog on a stick shack. I worked my way through the maze of people to the stalls selling everything under the sun. As I browsed the goods offered by the vendors looking for some T-shirts for my nieces and nephews. After I found some, I headed over to the animal exhibits, my second-favorite part of the fair.

I headed for the breeding bulls because our friend Allan was the best bull breeder in the state. His bulls fathered many of our calves that my brothers would show at the fair. I went behind the exhibit stall and found Allan with one of his handlers. They were hanging last year's Best of Show ribbon on Hercules, (Herk, for short) their prize bull. Herk was a spectacle. He stood almost six feet at the shoulder with big broad shoulders and cold steely eyes. I gently maneuvered around him and said hel-

lo to Allan. He smiled back and stepped away from the bull to give me a hug. It has been a couple years since we say each other. He asked where the boys were and I told him they were wandering around together. My dad and he were business partners many years ago. Now that I'm bck from college, we kinda flirt when we see each other around town, and some past fairs, too.

Just behind him, the handlers finish prepping the bull with his ribbons and sashes and lead him out of the holding pen towards the exhibition stalls.. Allan and I watch them leave as I compliment him on his bovine. He tells me that Herk has been very busy, showing all around the country and asks if I want to see some of the articles and photos. We walked the fifty feet to his trailer and stepped inside. On the walls were hundreds of photos and clippings of his state fair winnings and events. He walks to the middle of the trailer to the small kitchenette and offers me some coffee. I accepted and sat down. He hands me a hot steaming cup and sits across from me pointing out Herk here, and Herk there, and Herk everywhere.

As we reminisce a little about the past, he begins to flirt with me and without even thinking, I flirt right back. He tells me how Herk is his entire world since his wife died two years ago. I kinda felt sorry for him. Here is this big strapping man whose only

life is a 1,500 pound beast. After a long silence, he says he wants to show me a statue he had made of Herk in the back room of the trailer. We head back to what appears to be his sleeping quarters. The unmade bed takes up most of the floor space and at the top of the bed area is a small niche where a foot long brass statue of Herk stands in a proud bull poise with flared nostrils and feet stomping. He crawls across the bed to get it so I can see it better and heads back. We sit on the edge of the bed and look at it. I tell him it's very nice. Nice and powerful and it suits both the bull and him.

We make more small talk sitting there, Herk between us with Allan's hand over the bull's back. He gets melancholy and starts pouring out about his loneliness of the road. I tell him that I truly feel for him and touch his hand. He begins to cry softly and I move my hand to under his chin, lifting it and puling his gaze to me. The tears are touching me deeply and I lean in to hug him. As we hug, I rub his back and he begins to tighten his grip on me. I too am feeling his sense of loss. Loss of companionship. Loss of intimacy.

We pull back from each other and he leans in to kiss me. I'm embarrassed, frightened and excited at the same time. I'm thinking that I have to meet my brothers in half an hour and I cannot be doing this. When our lips meet, I lose all sense of what I was just thinking as I return his kiss, My body fills with a warm tingling. At first the kiss is light and soft, then his tongue flicks over my lips and then he presses his lips hard onto mine probing with his warm moist tongue. My lips part to accept it, but my teeth do not – for very long.

With his right arm he gently pulls me down on my back onto the bed, his arm still under my neck. I feel his hands begin to travel across my body. He rubs my thighs and finds my V on their way up. I instinctively close my legs but his persistence slowly opens them. He is rubbing me over my pants and I now want them off. I want to feel his fingers caressing my clit. I want his fingers to probe my pussy and find it wet. We are still kissing and I am pulling him closer, lost in the moment. His hand begins to unbutton my blouse and I adjust to loosen the fabric. He finds my breasts and pinches my nipples making me moan and flinch. My belt and zipper are next and I let him proceed. I'm now reaching down to his crotch and feel his hardness through his jeans. It is straining to be released so I undo his zipper and reach inside. His cock is like a rock and pushing it's way out. I feel the cock head throbbing.

Allan stops everything to get up and undo his shirt and pants. He rips his shirt off and drops his jeans to his ankles, gathered around his boots. He is standing at the foot of the bed; his cock pointing straight at me. He reaches down and grabs my legs and swings them onto the bed. My body rotates ninety degrees to be parallel with the edge of the bed and my face ends up right in front of his cock. I reach up and grab it pulling it into my mouth. I start with the underside and work my tongue up and down the shaft. I reach behind his butt with my hand and pull him closer. He reaches over to my pants and pulls them down to my knees. I wiggle my legs so my pants go below my knees so I can open them.

His fingers find my clit and I bite his cock from the tingle he gave me. I'm trying my best to accommodate his cock but it's bigger than any of the college boys I fucked. I can only get the head and a couple inches into my mouth. I grab his cock and push it against his stomach so I can lick his balls. They are

musky sweet but I find it is turning me on even more. I coax him into a sixty-nine by pulling his arm down so his body has to follow. He waddles to the side of the bed, gets up on his knees and lowers himself down over me, putting his cock into my mouth and landing his face on my pussy. I gobble him up as he spreads my pussy lips and begins to lick me. I'm dripping wet so he easily slides a finger, then two, into me. I arch up as I gag on his big cock. He backs off but I grab his butt cheeks and pull him right back into me, his tongue working my clit and his cock fucking my mouth. I mutter that I'm about to cum and he quickens the pace as I shudder and buck as he drives his cock deep into my mouth.

Then I tell him to get off and fuck me. He gets on his knees, still bound at the ankles by his jeans as I pull my pants completely off. He stands up on the floor and I swing my legs over the edge of the bed and open them wide, ready for his cock. He grabs my legs and pulls me into it. My pussy screams at the intrusion but he quickly stuffs his cock inside to silence it. I feel it deep in me and it hurts so good, I raise my hips to meet his thrusts.

Then he comes out and rolls me over so my legs are dangling off the edge of the bed. I end up face down and he starts again, fucking me, grabbing my hips and riding me like a cowboy on a bronco. I feel his rhythm and rock back and forth on his rod until I feel him getting even harder as he's about to cum. I grab his cock and pull it out, pointing it onto the bed. Allan screams as he cums and shoots his load six feet onto the bed – hitting his Herk statue in the process. We both look at that and begin to laugh. He collapses on the bed and I sit up pulling on my

clothes. I look back at him and ask if he feels better now. He only smiles. I excuse myself saying I have to meet the boys for lunch and he says 'okay.'

On my way across the fairgrounds I think about what has just happened, hoping no one in my family finds out about it. Then my mind strays to 'Was I fucked hard enough.' Was I wanting to do it again? "Hey Robin!" I heard voices from behind. "Hi guys, are you having a good time?" "Yeah, it's been great. We saw Hercules at the exhibition hall and he looks great. Hope he wins again. Have you seen him?"

"Yeah, he looks great!"

STORMY

Mardi Gras is such a fun time of year, and Stormy wants to get more beads than any other girls in New Orleans. She's even willing to take Justin's thick schlong in her mouth until his balls slap up against her chin. Stormy seems to like the taste of Justin's cock. Enough, now she is riding his hard, veiny dick, and milking his seed all over her giant tits. Some girls will do just about anything for a big handful of cheap plastic beads.

MIKAYLA

Hi there... I just drove over to my friend Jordan's house. He said he had been sick for more than two weeks. He's only been feeling better for a couple days now. And he's really horny. And since I wasn't doing anything this afternoon, I thought I'd go over and give him a really nice sympathy fuck. I'm hope his cock is feeling better, too.

The top 12 things that men ignore during sex

Hot animal sex is wonderful but that won't always be the case. Women will want it soft and slow most of the time while men want to jam it, ram it and forget it. But either way nothing makes guys feel as good as seeing her happy. That warm glow of sex that a great orgasm will bring to her. The right lover will be invited back again and again, while a poor lover gets laid only once. Get out your scorecard and be sure you have all your bases covered. Remember, it's not how often you score, but the quality of your performance. Here are a dozen things to keep you on her mind as her V.I.P. (Very Important Partner) Let the games begin...

1

A soft touch is really important. A light kiss is better than a hard one. Don't slobber or snort like a big bulldog, especially near her ears. Save your sloppy wet kisses for your dog.

2

Don't fumble around trying to feel for her clit. The clitoris is very sensitive and too much rubbing will make it hurt and she'll take you off it. Get to know where her clit is and how she likes to have it rubbed and licked.

3

A woman's juices are for lubrication, but sometimes that does not make her wet, or slippery, enough. Scented lubes are a turn on and taste good, too.

BLAIR-NTS-09

The top 12 things that men tend to ignore during sex

4

Men are the visual creatures. Women not so much. They need nice words to stir their imagination. Saying the right things during sex be a real turn-on for her.

5

Spitting is not just for porn stars. Keep your tongue wet or well lubricated. You may think that there's always spit to keep it wet, but that is not always the case, dude.

6

Next to the brain and the vagina, nipples are the most erogenous zone, and oftentimes the most sensitive parts of her sexual anatomy. Ease up on the pinches and bites. They hurt!

7

Fingers and toes. Don't forget those! These are sensitive areas that get even more sensitive during sex. She'll also appreciate that you don't spend all of your time on her clitoris and pussy.

The top 12 things that men shouldn't ignore during sex

8

The look on your face tells her a lot. Even if you're bored, pretend to enjoy, especially if she's fellating you.

9

Toys can be a great addition to your lovemaking. She probably has a favorite dildo or vibe. Ask to use it on her.

10

Don't go poking into forbidden areas. Not that many women want their assholes touched or fucked. If you're lucky enough to get it, go slow. It can be a real game buster.

11

Nothing will get you boot-ed faster not knowing her name. Even if it seems a like a quickie, get it!!!

12

Take your goddamn socks off. Nothing says unsexy like fucking her in men's hosiery!

MICAH

I have a real soft pussy that yearns to be filled. It calls to me in the middle of the night demanding that something be done to fill it. If there is no man around, I start with my fingers and then use my dildo to finish me off. While these are good, a hard cock is the best. So, somehow, there always seems to be a man around. This one will do just fine, so cum on over and let's this party started!

A blonde woman with her hair pulled back is posing in a pool area. She is wearing black high-heeled shoes and black lingerie with pink bows. She is leaning against a white wall, with a blue tiled wall and a pool in the background.

Blonde, beautiful and completely shaved, Britney has a fuck buddy – George.

“George is quite the stud. My husband just isn’t big enough for me, and what’s even worst, he won’t fuck me in the ass!. What guy doesn’t want to fuck a girl in the ass? So I call George whenever I need to get fucked really good. The cool thing is that George is really into getting me off, so when I need a good butt fuck, all I need to do is call... Oh George, ctum!”
